* I decided to search for new love. I left home and began living in Wakaba Dorm. But... I had to share a room with the self-involved dorm leader, Kaoru Naruse. A guy who only thinks of himself. I don't want to spend one more minute in this place!
* However, life is cruel. At the dormitory table tennis tournament, I was determined to defeat Kaoru. I didn't know that the winner would become the next dorm head!
Where is the new love that I wanted?
